

Home Inventory USB Drive

This drive contains important preparedness information, and also provides a place for you to store your home inventory and scanned household documents.

1. Important Documents

- 1. My Household Inventory** – This digital form provides a template to create a record of your belongings.
 - 2. FAQ's About Household Inventory** – Refer to this form for answers to frequently asked questions about completing your household inventory.
 - 3. Lake Tahoe Fire Adapted Communities Guide** – Refer to this booklet for information on how to create defensible space on your property, and how you can be prepared to evacuate safely and effectively during an emergency.
 - 4. IV-CB Emergency Preparedness Guide** – This guide contains contact information, evacuation routes and shelter locations for Incline Village and Crystal Bay, as well as information on how to be prepared for all types of disasters.
 - 5. Wildfire Evacuation Checklist** – Print a copy of this checklist and place it in your evacuation go-bag.
- 2. Interior Photographs** – Use this blank folder to store your interior photographs and videos.
 - 3. Exterior Photographs** – Use this blank folder to store your exterior photographs and videos.
 - 4. Scanned Household Documents** – Scan and store your important household documents in this folder, e.g. insurance information, emergency contacts, etc.
