Nevada State Licensed Fire Protection Provider Acknowledgement Checklist:	Initial
I understand that the Storz cap in must be returned or in place and operable at the time of final inspection.	
I have reviewed and will follow applicable elements contained in the hydrant detail sheet provided.	
I understand that prior to scheduling a fire inspection, the private fire hydrants shall be serviced annually in accordance with the most current edition of NFPA 25 Standard for the Inspection, Testing, and Maintenance of Water-Based Fire Protection Systems and filed electronically with Compliance Engine .	
I understand that the person possessing a Nevada State Fire Marshal's license must supervise all work.	
I have a current Nevada State Fire Marshal Hydrant license and Certificate of Registration for fire hydrant work.	
I have reviewed and will follow all applicable elements contained in the Hydrant detail sheet provided.	
Prior to calling final inspection, I will ensure fire access to the fire hydrants is unobstructed.	
If a private fire hydrant is subject to damage by vehicles, impact protection must be provided following the adopted Fire Code.	
Immediately after replacement, please schedule a Fire Protection System Inspection at NLTFPD.ORG/inspections .	

OPTIONAL FIRE HYDRANT FLOW TESTING AGREEMENT
Property owner to review the optional FIRE HYDRANT FLOW TESTING AGREEMENT, which will provide for the ability for NLTFPD to become familiar with the fire hydrants and do flow testing of a fire hydrant on private property or is owned by others and not maintained by the Incline General Improvement District (page 4 & 5 of this packet).
By physically signing or electronically signing and submitting this application, I acknowledge that all work will be performed in compliance with the codes and standards adopted by North Lake Tahoe Fire Protection District. Furthermore, all work will be completed by contractors and/or employees licensed through either the Nevada State Fire Marshal Division and/or the Nevada State Contractors Board, as applicable by NAC 477.300 and NRS 624.020.
